We always knew you were destined for great things. We're honored and proud to see you grow into such a caring and generous human being. Congrats on this big milestone, buckle up it's just the beginning. It's not where you start, it's where you finish; but most importantly it is the journey.

You have grown in to an amazing young lady. We have been so pleased to have been apart of your journey and we cannot wait to watch your future unfold. The best is yet to come, but you sure gave this year ALL accomplishing your goals you set for yourself in this phase of life. We are proud that you have always stayed true to yourself, when faced with challenges you had courage and confidence to overcome. We love you and will always be here in the wings when you need us. After seeing how you have developed as a person thus far there is no doubt this world will be a better place with you participating in it. Love you to the moon and back!
