MESSAGE ABOUT 2020-21 YEARBOOKS

If you pre-paid for a Yearbook from July 2020 to May 2021, we will be shipping them out directly to you. Some families may be moving this summer, so we want to get those addresses updated as soon as possible.

[Please use this form to provide us with a good shipping address for you in August/September 2021.](#)

If you know you are moving, but do not have the new address yet, please provide a family or workplace shipping address that we can send it to without issue. Making address changes always has a potential for errors. Please don't send us new addresses for convenience reasons, if your current address is still viable. For instance, some have asked for us to ship to college addresses, but that can cause new problems for tracking.

If you have questions about whether you purchased a yearbook, or if yearbooks are still available... PushCoin records show whether or not you purchased last summer or anytime after. The only other place that you could have purchased would be through Jostens. You can check your email receipts from Jostens. Pre-paid purchasing is closed for this year, but we always order extra copies to sell to families in the Fall. If you didn't purchase a book, don't panic, just contact HALO Yearbook in September to arrange for a purchase. Enjoy the summer!

Returning Student Online Registration

Returning Student Registration for 2021-2022 will open at 9:00 a.m. on April 26. All acknowledgments and authorizations are contained in a single electronic, online registration form that will be easily accessible from most electronic devices (computer, Chromebook, and Smartphones). Please refer to the parent guide located on the web page for detailed instructions on how to complete the form.

Beginning April 26, parents can sign into the **Returning Student Online Registration** form located in the **Parents/Community menu** of the District website. Parents/guardians will use their Home Access Center (HAC) credentials to sign in and select individual students to complete each registration.

The electronic registration forms for elementary and middle school students should be completed by June 1. High School online registration forms should be completed no later than July 1.

Registration fees for all grades will be available in Pushcoin beginning July 1, and will be billed to reflect the early bird discount if paid by July 31. Pushcoin will email invoices for accounts with balances due on the 15th of each month until paid in full.

For families who may qualify for a fee waiver, and are not directly certified by the state, a 2021-2022 district fee waiver application will be available on the District 303 website in July, accessible from the Parent/Community menu.

Students entering sixth and ninth grades require proof of a physical exam prior to the first day of school. Please visit the [District 303 health services web page](#) for more information.

Para las familias que pueden calificar para una exención de tasas, y no están directamente certificadas por el estado, estará disponible una aplicación para la exención de tasas del Distrito para el 2021-2022 en el sitio web del Distrito 303 en Julio. Igualmente, esta aplicación se podrá acceder mediante el menú de Padres/Comunidad.
